2018-2021

Education

University of Texas at Austin
Main Building (MAI)
110 Inner Campus Drive
Austin, TX 78705
Biology, BSA | Pre-Health Professions Certificate
GPA: 4.0
CPR/AED Certified
Certification in Traumatic Bleeding Control

as of Fall 2020
Feb. 29, 2020-2022
November 3, 2019

Extracurricular Activities & Organizations

Caduceus: pre-med student organization that volunteers, fundraises, gathers for social events, and participates in philanthropic activities for the Heart Gift foundation
Gamma Beta Phi: national collegiate honor society active member
Global Medical Brigades: student volunteer and fundraising organization to help create sustainable healthcare systems in Ghana and Panama
Intramural Sports: UT Recreational Sports volleyball and sand volleyball with fellow members in Caduceus

Fall 2018-Present

Spring 2019-Present
Fall 2019-Present

Fall 2018, Spring 2019,
Fall 2019

Awards/Honors

Patent Co-Inventor: worked with a team, during a biomedical engineering mentorship, to develop a proof-of-concept for a digital intubation device that is currently undergoing the patenting process
University Honors
Distinguished College Scholar: College of Natural Sciences

2016-2018

Fall 2018-Present
Spring 2020, Spring 2021

Leadership

Medical Resources Officer (Caduceus): coordinated partnerships with The Princeton Review and Kaplan to get MCAT course discounts, set up certifications for trauma training and CPR/AED certification, organized practice MCAT exams, scheduled guest medical speakers and presentations, planned medical school tours, provided information on applying to medical school, and informed members about local health fairs
Data Manager (Gamma Beta Phi): sent out the organization's newsletters each week and updated all of the members' points

Fall 2019-Present

Fall 2019-Present

Community Service & Volunteering

Longhorn Lights Out: reduced energy by turning off lights, unplugging unnecessary electronics and powering down computer equipment around campus
Brave the Shave: UT Austin's Brave the Shave event to raise money for pediatric cancer research by selling raffle tickets
Micah 6: helped provide food to the low-income community in Austin at a local church's food pantry
Inflatable Run: monitored children's safety in inflatable attractions during a 5k run
Texas Athletics Sustainability Squad: promoted, monitored, and educated fans at Texas Athletics events about recycling and composting
Methodist Hospital: escorted patients in wheelchairs within the hospital or to their car to go home, helped pediatric patients check in for surgery or radiology appointments, and served refreshments to new mothers
Ghana Medical Brigade: shadowed physicians, worked in triage, educated the local community on local healthcare issues, and built biodigesters for toilet connections in Ghana, Africa
Travis County COVID-19 Vaccination Site: Filled out data for close to 600 patients to help register them for their vaccine and communicated instructions after being vaccinated

Research

Patent-Digital Extenders with Haptic Feedback: One of seven inventors for the pending patent, which extends the physicians index and middle fingers to overcome the limitations of using a laryngoscope when performing endotracheal intubation **2016-2018**

Mi Clinica de Epilepsia Pediatrica: Evaluating the health disparities and inequities in pediatric epilepsy patients, I serve as a research assistant and speak with patients and their guardians directly. **2021**

Mentorship & Shadowing

Independent Study Mentorship in Biomedical Engineering: Institute of Surgical Research (ISR) **September 2016-June 2017**

Mentored by Dr. Corinne Nawn, PhD, Biomedical Engineer

General Ophthalmology: Kozlovsky Delay & Winter Eye Consultants, LLC. **2017-2021**

Shadowed: Dr. John F. Kozlovsky, M.D.

Hand Physical Therapy: Momentum Physical Therapy **February 1, 2018**

Shadowed: Sylvia A. Davila, PT

Ophthalmology (Retina): Retina Associates of South Texas, P.A. **August 2019**

Shadowed: Dr. Enchun M. Liu, M.D.

Virtual Shadowing: shadowed pediatricians and pediatric subspecialties **2021**
